Dear Ms. McPhail,

re: Freedom of Information and Privacy (FOIP) Request to Access Information

Attached, please find a completed FOIP *Request to Access Information* form, along with payment for \$25 made out to the Energy Resources Conservation Board.

On behalf of the citizens of Alberta, Intellog requests a complete copy of the *General Well Data File* as described on page 30 of the ERCB's *2010 Catalogue of Publications, Maps and Services*. We also request the ERCB provide the monthly updates to this file on an ongoing basis. We require all of this data to be in electronic format.

Upon receipt, Intellog intends to combine the data described above with similar data already received from BC, Saskatchewan and Manitoba. We then intend to make the complete file of well data downloadable from our website at no charge.

Should you have any questions, please do not hesitate to contact me at terryg@intellog.com (preferable), or (403) 818-9287. Thank you very much for your attention to this matter, and I look forward to a rapid and satisfactory resolution of this issue.

Yours truly,
