Dear Terence C. Gannon and RetaMcPhail:

**Re: Extension of Timelines**  
**Request for Review File #: F5389**

On May 12, 2010, I received your request for review regarding the Energy Resources Conservation Board (ERCB)'s response to your request to waive fees for your access to information request. I authorized Eileen Hendy, FOIP Portfolio Officer, as the mediator/investigator, to determine whether a resolution could be reached on this matter.

The *Freedom of Information and Protection of Privacy Act* (the "FOIP Act") requires that our review of your file be completed within 90 days from the receipt of a request unless I decide otherwise.

I have been advised by the Portfolio Officer that additional time is required to conclude the mediation/investigation of your request for review. Therefore, under section 69(6) of the FOIP Act, I am extending the date for completion of file #F5389 to September 10, 2010.

**Please note that this extension does not alter other response requirements that may be set out by the Portfolio Officer assigned to this case.**

Sincerely,

Original Signed by  
Frank J. Work, Q.C.
